AGING ADULTS 50+ DATABASE REGISTRATION FORM

The City of Temple City and Committee on Aging are working together to create a database of residents 50-years of age and older for the following reasons: 1) to ensure our aging adult population receive emergency notifications in a timely manner; 2) to offer a channel of communication for the City to share information on critical resources, especially in times of crisis; and 3) to assist in keeping aging adults, especially those with functional needs, from being disconnected. Please complete the following to be added to the database:
