ACCOMPLISHMENTS OF THE COMMITTEE ON AGING

The following are accomplishments based on the goals the Committee had for the years of 2021 and 2022. These accomplishments are on par with the goals of the Senior Master Plan (SMP).

2021 Accomplishments

- Launched the "Senior Resource Page" on the City website providing links to a variety of senior-based services
- Continued meal delivery services to the older adult population in the city and surrounding communities
- The Senior Newsletter was created as a monthly publication
- Hosted three (3) COVID-19 vaccination clinics at Live Oak Park in partnership with Herald Christian Health Center and L.A County Sheriffs
- Delivered over 36,000 meals as part of the senior meal delivery program
- Dial-A-Ride services provided over 4,500 rides for the senior population

2022 Accomplishments

- The City of Temple City Public Safety Division held two Neighborhood Watch Meetings on September 15th and October 20th
- In October 2022, the Live Oak Park Community Center offered Zumba Gold along with other classes for senior fitness
- In November 2022, the senior meal program began to accept volunteers to assist with packing and distributing meals at Live Oak Park Community Center.
- Increased the quantities of food pick ups at Live Oak Park
- A new pickleball program was introduced for older adults at the Live Oak Park tennis courts on Friday mornings
- Live Oak Park Community Center partnered with multiple agencies to offer a booster vaccine clinic, flu shot clinic, and hosted a health workshop on hypertension
- The Senior Newsletter was created as a monthly publication

2023 GOALS

The CoA identified the following Action Steps as priorities in 2023:

- The City and the Senior Program should explore ways to provide subsides for, and educate seniors on, obtaining safety alert systems (for falls or health issues). This could include collaborating with a community partner(s).

- The City should explore expanding the existing community center, or building a free standing senior center to serve the increasing older adult population. The facility should operate as the site for enhanced programming and services, and as a resource and educational center for seniors.

- The City should install traffic audio alerts at key intersections to assist seniors and disabled persons in crossing streets. Also, the City should examine the time-allotted to cross a street at all existing crosswalks to ensure it's adequate.

- The Senior Program should build on its existing community agency partnerships to include additional social services for older adults.
