ACCOMPLISHMENTS OF THE COMMITTEE ON AGING

The following are additional goals that were met. These accomplishments are on par with the goals of the Senior Master Plan (SMP).

1. The Senior Program will conduct ongoing community workshops on access to transportation to assist residents in understanding how to access local transportation options (MTA, Uber, Lyft, Dial-A-Ride, etc.).

- **The City offered:**
  - **Metro Ride Workshop with Metro**
  - **Offers Dial a Ride**
    - **105 participants for the year.**

2. The Senior Program should provide expanded opportunities for older adults to volunteer. This should include volunteering within the senior program activities, as well as with community partners.

- **The Senior Meal program had 20 volunteers**
  - **Assisted with serving meals, checking in seniors, selling coffee, rolling utensils**

3. The Senior Program should implement additional socialization activities (dances, movie outings, friendly visitor programs, etc.) to reduce isolation among seniors.

- **The City offered two excursions per month to different locations**

4. The City and Senior Programs should explore developing a focused communications strategy for older adults. This might include a special senior program newsletter or email blast.

- **This year 121 seniors enrolled and 1,452 seniors in total received the monthly newsletter**

5..The City should explore obtaining an older adult database so that it can provide direct information regarding programs, services, alerts, etc.

- **There are 154 Temple City residents enrolled**

6. The City and the Senior Program should explore ways to provide subsidies for, and educate seniors on, obtaining safety alert systems (for falls or health issues). This could include collaborating with a community partner(s).

- **Welbe hosted a Fall Prevention Seminar with physical therapists.**

7. The Senior Program, partnering with community resources, should identify and implement additional fitness and exercise programs for older adults. This should include fitness and exercise classes, workshops, etc.
